Ideas for the next conversation

Plan around Yellow Soya D.O.C.

This is the strongest product relationship by recorded activity. Discuss upcoming requirements, preferred price bands, and delivery windows early.

Build on repeat connections

Reliable Foods Pvt. Ltd. is the most frequent counterparty in this period. A forward plan may help preserve continuity and reduce last-minute coordination.

Keep the account ready for the next cycle

Review the outstanding position alongside upcoming business so both teams can plan settlements and new trades clearly.
